The 1976 Blue And White

Galena High School
U.S.D. #499
Galena, Kansas

Foreword

As the school year of 1975-76 began, our summer activities drew to a close and we were forced to settle down to studying again. The anticipation of the coming year and the reuniting of old friends brought an air of excitement to the halls of G.H.S. As the year began rolling, the Publications Staff attempted to photograph the many activities at Galena High School. We now hope this book will bring back many fond memories of everything and everyone we have grown to love.

OPAL ROBERTS

Dedication

We wish to dedicate the 1976 Blue and White to Mrs. Opal Roberts, without whom this publication would not have been possible.

Mrs. Roberts is retiring this year after having taught in the Galena School System thirty four years. During these years she performed many helpful tasks, such as the jobs as Senior sponsor and Pep Club sponsor—neither of which is an easy undertaking.

Earlier in her career she taught home economics and various other subjects. Currently she has been serving as librarian and publications advisor.

Mrs. Roberts has aided in the publication of the Blue and White for 22 years. We realize without her help and hard work, we would not have accurate recordings of all the past years.

We hope the dedication of this yearbook will make Mrs. Roberts aware of our deep appreciation for all she has done.

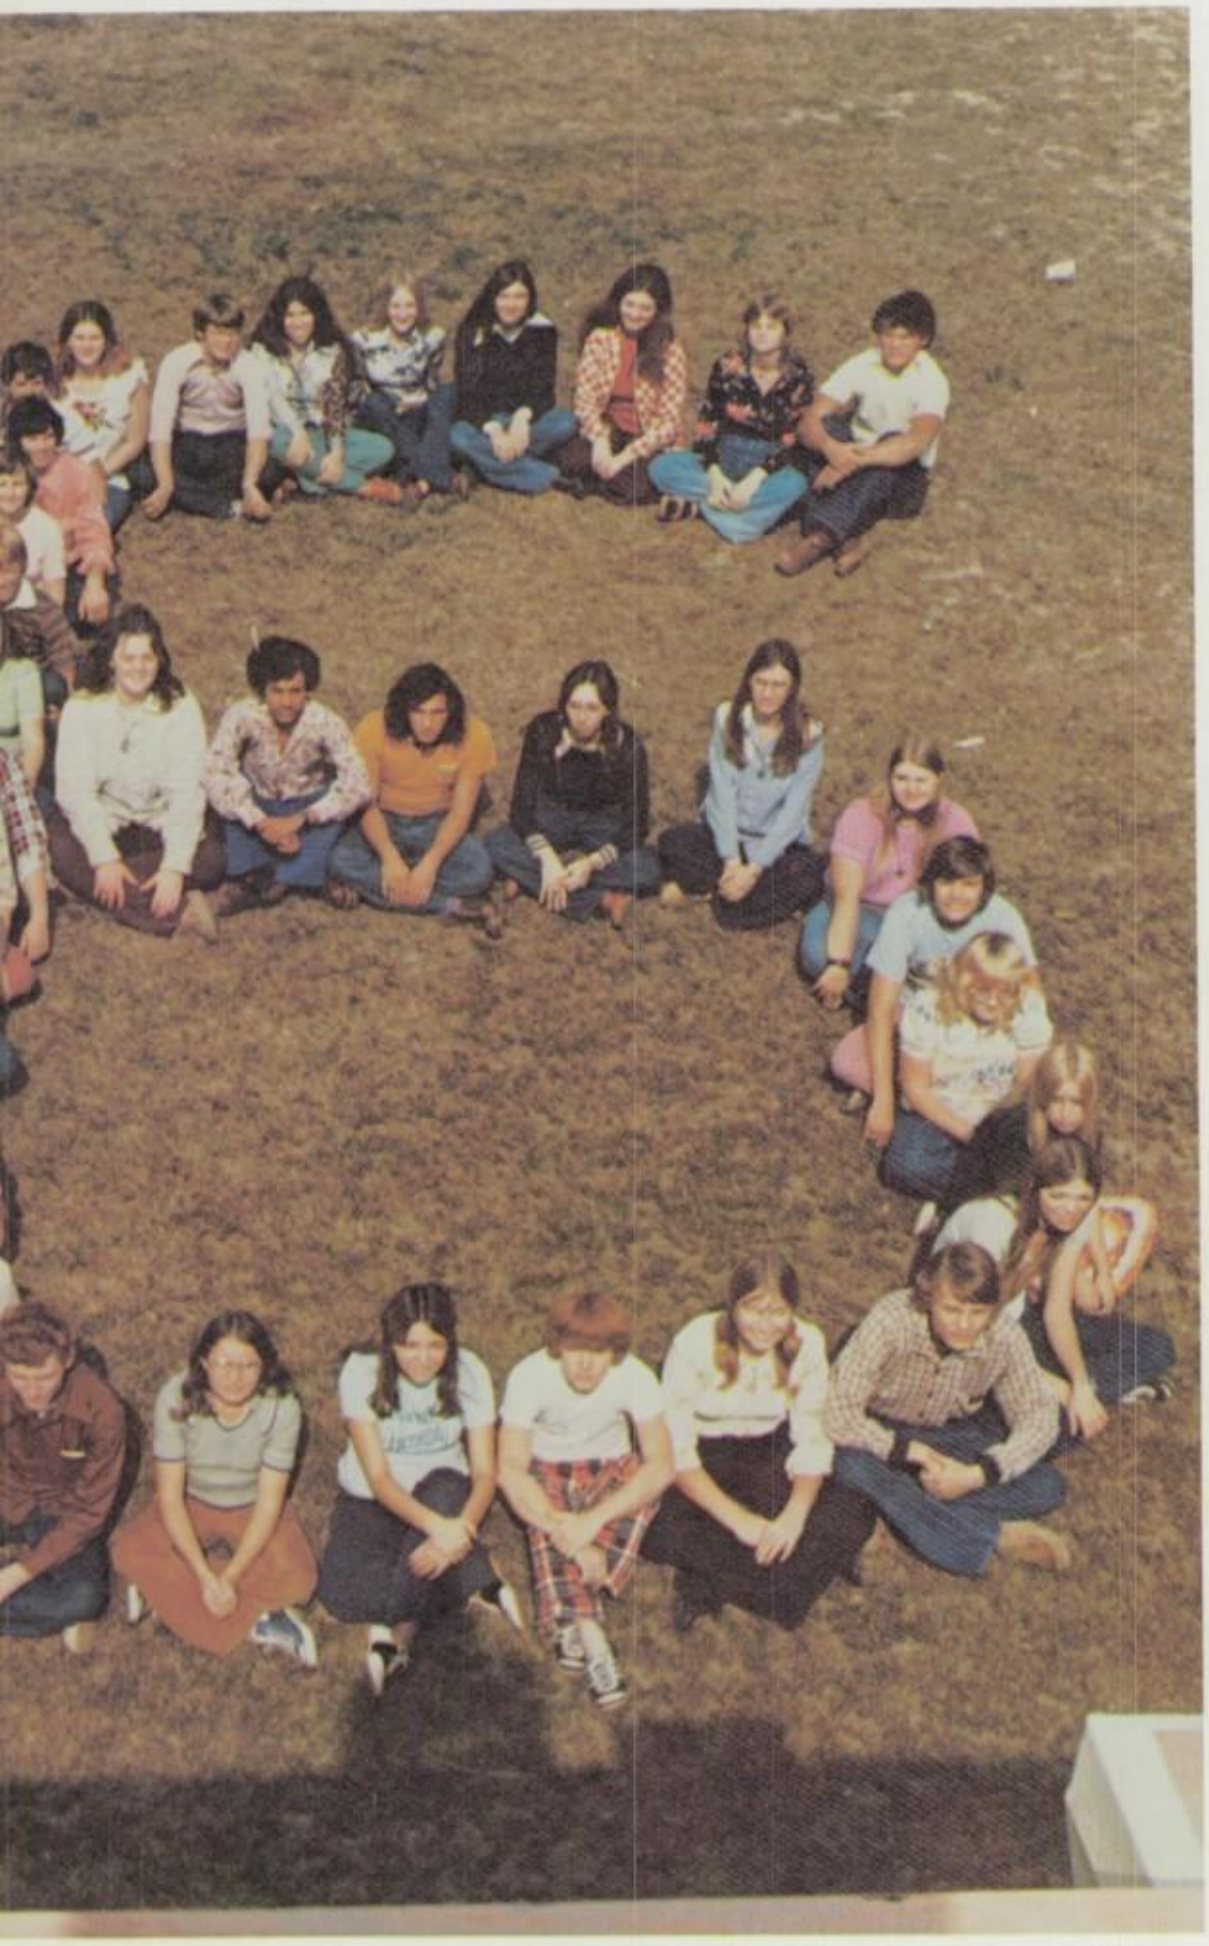
Bicentennial

Seniors



As Seniors we anticipate our future, but at the same time we are reluctant to give up the present and the memories of the past. We have shared twelve important years. During this time we have grown up and become a part of each others' lives. We realize this is the last year we will all be together. Being a Senior is really something special, made even more so by being Bicentennial Seniors.

Publications Staff

The Publications Staff was responsible for submitting news each week to The Joplin Globe and to the local papers—The Galena Sentinel-Times and The Galena Independent. Also they published a mimeographed paper-The Bulldog Growl- that was given to the students after school each Friday.

Also they were responsible for publishing this issue of "The Blue and White"

CO-EDITORS. Julie Farris and Susan Davis.

We, the Co-editors of the 1976 Blue and White, hope we have been successful in recording our last school term. This year was important to the seniors, but we hope it was also important to the underclassmen.

We wish to thank the faculty and the student body because, without them there would be no memories or any reason for a 1976 yearbook.

As co-editors we bid farewell to our high school days and we hope this book will keep the memories of G.H.S. alive forever.

Sincerely,
Susan Davis
